Your New Leigh Box Joint & Beehive Jig, Model B975

The Leigh Box Joint & Beehive Jig, Model B975, is a simple, easy-to-use tool for making 1/2" and 3/4" box joints on boards up to 13/16"[20.6mm] thick, and from 1-1/2"[38mm] to 17-13/16"[453mm] wide. Not by accident, the full 9-11/16"[246mm] width of the jig is the standard height of a typical beehive super, used in North America.

Customer Support

If you have any questions that are not answered in this user guide, please call Leigh Customer Support: 1-800-663-8932 in North America or email: help@leighjigs.com. For support contacts in your country of purchase, see Customer Support at the end of this Guide. Leigh user guides are updated as required. A downloadable pdf of the latest version can be found on the Support page at leighjigs.com.

Reminder: If at first you don't succeed, read the instructions!
