

Leigh D3 Dovetail Jig User Guide

IMPORTANT NOTE

User Guides for the Leigh D3 are no longer in print. The User Guide for the D4 dovetail jig is directly applicable to all D3 jigs. Although some of the jig parts differ slightly in appearance, all procedures for through, half-blind, sliding dovetails and other joints remain the same.

The current **D4R Pro/D4R User Guide** can also be used, but the **D4 User Guide** is more applicable, can be viewed and downloaded free from this website and printed if desired. Hard copies of the D4 User Guide are no longer available.

Also note the following:

If you'd like to purchase the D4R Pro/D4R user guide (Part no.560), order it online at <https://www.leightools.com/d4r-pro-user-guide> or order by phone at toll-free 1-800-267-8761 (Canada), 1-800-267-8735 (US) .

Jig upgrades are available to convert your D3 to D4R Pro specifications. Upgrade kits can be found at <https://www.leightools.com/jig-upgrades>.

All Technical Bulletins and Special Procedures for 24" D-series jigs may be used with the D3 and can be found at <https://www.leightools.com/technical-bulletins/>.
